Only licensed drivers ages 19 or older may operate privately owned golf carts. When the golf cart is registered a valid license must be provided for all individuals driving a golf cart. Seasonal campers please refer to guidelines for additional information regarding golf cart use.

- All golf carts must have an operating headlight and tail light, as well as properly functioning brakes and muffler.
- Speed limit within the park for any vehicle, including golf carts is 7 MPH. Golf carts are capable of speeds between 12-18 MPH. If you are driving faster than you can walk, you are driving too fast!!!!
- All golf carts rented from outside vendors must be brought in and removed from the park by the registered camper. The rental company may not drop them off.
- Do not take golf carts off road or leave campground property.

- Driving under the Influence of alcohol is just as illegal in your golf cart as it is in your car and will not be tolerated.
- All seasonal camper's golf carts must display a sticker indicating that it is registered with **Danforth Bay Camping & RV Resort**. Placement for Golf Cart Stickers -Not all golf carts are the same and therefore it is difficult to have a consistent placement for cart stickers. If possible place in the center of the front or back of cart so that it is clearly visible when approaching or departing.
- All transient campers must display a dated red band on the steering wheel indicating that it is registered with **Danforth Bay Camping & RV Resort**. Seasonal carts display a permanent sticker.
- Golf Cart owner is responsible for any and all users of their golf cart.
- Where designated, golf carts must use "Golf Cart" parking areas
