**Danforth Bay Camping & RV Resort Joins the Fight Against Muscle Disease
at 10th Annual Firefighter Appreciation Weekend**

(Freedom, NH)- Danforth Bay Camping & RV Resort will be holding its 10th Annual Firefighter Appreciation Weekend on September 19 – 21, 2014. Danforth Bay’s campers will “show their strength” by supporting the MDA of New Hampshire firefighter’s boot drive where all funds raised will go directly to the NH MDA office out of Bedford, NH.

“The Fill the Boot drive supports the relationship between firefighters and the Muscular Dystrophy Association (MDA). The International Association of Fire Fighters is the largest national supporter of the MDA. Firefighters have given so generously to this cause and we are really excited to bring those fundraising efforts to Danforth Bay this year!” stated Dianne Battles, General Manager of Danforth Bay Camping & RV Resort.

Danforth Bay has dedicated a weekend to honoring the brave men and women who put their lives on the line for their communities. The weekend brings together Firefighter’s from across New England and their families to participate in a fun-filled weekend complete with firefighter muster events, family and camper activities, and a whole lot of camaraderie. Danforth Bay guests on Friday night will participate in a welcome social and mystery event. On Saturday, a friendly competitive muster featuring a series of individual and team competitions is designed to build rapport between local firefighters. After the muster a site decorating contest will be held with prizes awarded to the first, second, and third place winners. Rounding out the weekend, Sunday ‘s a breakfast cookout and immediately following with a Cancer Awareness Seminar at the Pavillion. For more information about the event visit www.danforthbay.com
